

The band "Midnight CITY" began its career in September, 2015 (renamed in May 2018). The project was released as a cover band, which sang the most famous songs of a lot of singers and bands from all over the world, mixing various styles of music: Funk, Pop, Rock, Blues, Dance, Soul, Rhythm & Blues, Reggae, Latino and more.

The artistic activity of band "Midnight CITY" is marked by multiple events and shows. In the past the band "Midnight CITY" worked in a lot of luxury hotels in Antalya, Turkey, as well as cruise luxury ships.

The new generation of the band "Midnight CITY" (since May, 2017) brings a new sound, modernized, using both drive and classic performance, as well as the most recent and actual electronic effects.

Over the years each of us obtained important prizes both in our home country Moldova and abroad. We held an imposing number of concerts and participated at different festivals and TV shows.
