Five young, talented, passionate, and experienced musicians from Chisinau, Moldova, got together to form a modern and dynamic cover band. With exclusive live entertainment in mind, Priza band has compiled an impressive repertoire of top songs of all times. Beginning in February of 2014, in a record time of under three months, the band managed to have over 50 songs ready for live performance. The band's efficiency, rooted in each member's individual experience and commitment, and their enthusiasm and discipline, paid off almost immediately. Priza has been booked for gigs in the city's club and venue circuit starting with the first weeks of April.

The band is fronted by the energetic, young, versatile, and charismatic lead vocalist who is backed by live drums, guitar, back vocals/synth, and a DJ set-up. Their act proves show biz experience, each member having notable achievements on their own (see bios below). That helped in compiling a wide-ranging repertoire, from Beatles & Ray Charles rock'n roll of 60's to latest top charts such as John Newman & Avicii, which makes their show marketable to international audiences of all ages. Ultimately, Priza's sound is professional, the arrangements are modern, their delivery is straightforward and energetic, all resulting in unforgettable and engaging shows for any crowd.
